

WE DID IT!

We have met our goal! The 4th Annual Toronto Area Hospice Regatta, presented by Procom and The Shotgun Fund has raised \$15,000 for Perram House, the residential hospice in downtown Toronto – taking the total raised over 4 years to over \$100,000. Thank you everyone who helped accomplish this – you should all be proud.

The two-day event, which wrapped up under sunny and breezy conditions Sunday June 19th, attracted 50 boats from eight One Design Classes.

The Race Committees were able to complete the maximum number of races proposed under ideal conditions and the results were announced during a ceremony at the National Yacht Club on Sunday.

The Overall Regatta Winner was **Stampede**, a J22 skippered by Jeffrey Love.

The crew of Stampede will represent Toronto at the National Hospice Regatta Alliance Regatta of Champions to be held in St. Petersburg, Florida in June of 2012.

Overall Winners in each One Design division are as follows:

- Beneteau 36.7 – **First Today**, skippered by Gary Tisdale
- Beneteau 10R – **Zoom**, skippered by Rob Butler
- C & C 115 – **ACT II**, skippered by Geoff Atkins
- J22 – **Stampede**, skippered by Jeffrey Love

The disco party was a huge hit...the music really did make us dance! The **SLAM** Fashion show was...extraordinary.
